

# Spark Curiosity with Our Youth Programs

## Great Gift Ideas

### Winter Discovery Boxes on sale November 10

Experiment with hydroponic growing, freezing temperatures, and winter landscapes while designing your own retro tinsel tree with the Winter Discovery Box.

Discovery Boxes include materials for indoor and outdoor activities with easy-to-follow instructions designed for ages 6 to 12. Boxes may be purchased in The Garden Shop or online and shipped anywhere in the US.

## Family Fun

Add some green to indoors spaces by creating your very own mossarium with a fully online family workshop and class designed for adults and children (ages 5 to 10) to learn together. Or visit the Gardens to discover the sights, sounds, and scents of the season in with a fun, 30-minute nature walk for the whole family.

## Youth Workshop

Do you have a child that loves plants and being creative? Our fall workshops are designed for students ages 10 to 16 with any skill level. Each workshop provides instruction by one of our experts to encourage the love of nature and development of new skills. Come to Longwood Saturday, October 28 to design your own hanging Kokedama to care for at home or Sunday, November 5 to paint the meadow with watercolors.
