

HOW CAN I DETERMINE IF MY COMPANY IS ELIGIBLE TO REDUCE OUR STATE TAX LIABILITY BY 75% OR 90%?

The State accepts EITC online one-page applications submitted electronically from Pennsylvania businesses subject to one or more of the taxes listed below. EITC guidelines for businesses can be found at www.newpa.com/eitc.

Corporate Net Income Tax, Capital Stock Franchise Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, Mutual Thrift Institution Tax, Insurance Company Law of 1921, or the Personal Income Tax of S corporation shareholders or Partnership partners

WHY SHOULD A BUSINESS PARTICIPATE?

The EITC program was designed to encourage Pennsylvania organizations and businesses to partner in support of local communities. Contributions made under the EITC program help community organizations continue the valuable work they do. In addition to generating goodwill, participating Pennsylvania businesses can reduce their tax liability by supporting organizations like Foundations. Specifically, businesses are able to reduce their actual tax bill – dollar for dollar – once a tax liability has been established.

IN WHAT WAYS DOES THE WEST CHESTER AREA EDUCATION FOUNDATION BENEFIT FROM YOUR SUPPORT AND PARTICIPATION?

The West Chester Area School District offers many enriching, dynamic, and successful programs to help students achieve; but with diminishing resources and greater expectations we must rely on community support to remain competitive in the global workforce. The Foundation identifies and secures alternative revenue sources to fund innovative programs and projects such as the Innovative Classroom Mini Grant Program and the Student Leadership Grant Program. The Foundation also provides an avenue to expand existing educational opportunities for students both in and out of the classroom by promoting and supporting programs and projects that ensure our students understand the connection between what they learn in the classroom and its application in the real world. Secondary students are matched with career-related internships and mentors. Our K-12 programs are designed to improve student achievement, enhance career education, and prepare students for post-secondary education and the highly-competitive workplace

WHICH BUSINESSES PAYING STATE TAXES MAY BE ENTITLED TO RECEIVE AN EDUCATIONAL IMPROVEMENT TAX CREDIT?

An Educational Improvement Tax Credit may be granted to a business providing proof of a donation to an Educational Improvement Organization or Scholarship Organization such as the West Chester Area Education Foundation equal to 75% of the total amount contributed during the taxable year by the business. A 90% tax credit may be granted if the business provides a written commitment to contribute the same amount for two consecutive years. Tax credits shall not exceed the tax liability of a business for a given taxable year, nor shall credits exceed \$750,000 annually per business. A tax credit must be applied in the taxable year the contribution is made. Unused portions of tax credits may not be carried forward or backward.

CAN BUSINESSES CONTRIBUTE TO MORE THAN ONE ORGANIZATION?

Yes. Businesses can donate to as many eligible organizations as they choose.

MUST I CONTACT THE PENNSYLVANIA DEPARTMENT OF REVENUE UPON RECEIPT OF NOTIFICATION OF THE CREDIT?

No. The Department of Community and Economic Department will acknowledge the credit following confirmation of the qualified contribution. DCED will simultaneously provide the Pennsylvania Department of Revenue with a copy of your confirmation letter. The Pennsylvania Department of Revenue will immediately post the credit to the taxable year in which the contribution was made and will consider tax credits awarded under this program to be effective on the first day of the taxable year. Therefore, the credit will generally be on record well before the filing of the applicable tax report.

HOW DO I CLAIM THE CREDIT WHEN FILING A CORPORATE TAX REPORT?

On the face page of the Corporate Tax Return, there is a matrix in which you record the tax liability, payments and credits of record. You may include the EITC in the Payment/Credit column.
