Welcome to Full-Day Kindergarten in the West Chester Area School District! We are very pleased that you have chosen to enroll your child in our kindergarten program. From the moment children enter their new schools, we personalize their educational experience and work very hard to help them achieve their personal best.

Helpful information regarding the West Chester Area School District's Full-Day Kindergarten registration process is below:

- Please complete the online pre-registration by visiting: registration.wcasd.net. Before you get started, please note that the pre-registration process will take approximately 30 minutes. In addition, be sure to have the following information close by:
 - General address information, including township of residency
 - Previous school/preschool information (if applicable)
 - Emergency contacts (up to 5, other than you as the parent or guardian)
 - Information on any court-ordered restrictions
 - Medical information (health insurance, allergy information, physician and dentist contact information, etc.)
- Once you have completed pre-registration, please *call your child's future elementary school* to schedule an appointment to complete the registration process
- On the day of your appointment, you should bring the following with you (you do not need to bring your child with you to the appointment):
 - Your child's birth certificate
 - Your child's current physical and dental exams
 - Your child's immunization records
 - Two proofs of residency (i.e. a utility bill, lease, tax bill, etc.)
 - Entry questionnaire and Parent survey
- During your appointment, staff will also work with you to schedule a meeting in June to briefly assess your child on basic kindergarten skills. The information we collect will help us meet your child's needs. No preparation is necessary for this assessment, which will be conducted in your child's home school by a District educator and will take approximately 30 minutes.

You will receive the name of your child's kindergarten teacher and your child's bus transportation information in August.

If you have additional questions, please contact your child's future elementary school or the WCASD's Office 484-266-1070.

We look forward to meeting you and welcoming your child to school!
