

## **Virtual Committee Meeting Public Comments on Agenda Items**

Due to the Covid-19 pandemic, committee meetings are held virtually. In order to allow public comment on agenda items, the school board will accept comments via a google form until 12 noon on the day of the meeting. A link to the form will be listed on the [Committee Meeting Agendas webpage](#). The comment submission period opens when the agenda is made publicly available. Please limit your comments to two (2) minutes. Comments duly submitted will be noted and (as practical) read or summarized during the meeting.

This is an opportunity for the school board to hear comments from the public on committee agenda items and is not a question and answer period.

*Please note: The google form is solely for the use of submitting comments on committee meeting agenda items.*
