

## **Naviance Career and College Planning**

Naviance will be used by the Rustin High School class of 2014 to submit and track college applications. Seniors will be introduced to Naviance at a senior meeting with counselors in early September.

Rustin High School's Family Connection site in Naviance is designed to assist our students with college and career planning. All Rustin High School students will work with Naviance. Utilizing the tools in Naviance will help you to set future goals for yourself, build a professional resume that can help you to get a job or assist your teachers in writing your letters of recommendation, identify careers of interest based on questionnaires and personality surveys, and search for colleges that will enhance your education and allow you to achieve your goals.

It is important that Rustin High School maintains a record of what your post-graduation plans include and what the outcomes of your college applications have been. Students will assist us in completing the graduation survey before their graduation date.

Please follow the link below to sign into the Family Connection site of Naviance.
