

Alateen Meeting Information

Dear Friend,

You are often among the first in the community to learn that a problem in the family may be the result of someone's drinking/drug use. Alcoholism/addiction is not simply an issue of excessive drinking/drugging, it is a disease which affects the drinker/user as well as his or her family, friends and co-workers, spiritually, mentally and physically.

Al-Anon Family Groups, which includes Alateen for the younger members, is an established community resource for people who have been affected by another's use of alcohol/drugs. Al-Anon and Alateen consists of non-professional mutual support groups in which the identity of all members is protected. Al-Anon and Alateen are spiritual programs of recovery which are compatible with all religious beliefs and practices. The Al-Anon/Alateen program can aid the recovery process for the entire family through hope, comfort and loving interchange among members having a common problem. When someone turns to you for help and an alcohol/drug related problem is identified, we urge you to suggest that they attend Al-Anon and/or Alateen meetings. Al-Anon Family Groups can help you help those who are struggling with the effects of this disease.

We have an Alateen Meeting in Unionville at St. Michael Lutheran Church. Al-Anon and AA meet separately at the same locations and time. See the attached flyer for details. If you wish more information, please contact me at unionvillealateen@gmail.com. I will respond as soon as possible.
