Apply to join a top-targeted Democratic state senate campaign and learn the day-to-day operations of an electoral campaign. We are seeking candidates who are highly motivated and passionate about organizing. Interns will have the opportunity to:

- Speak with voters, and learn about how a campaign turns out and creates new votes!
- Recruit and interface with volunteers, and connect with other local politically engaged individuals
- Through on the job experience, gain insight into campaign strategy!
- Learn from a variety of speakers, staffers, and other individuals connected to the campaign about topics related to campaigns, elections, American and Pennsylvania politics!
- Make a difference!!!

Interns are expected to work 10-15 hours per week, and work will be in person out of our office in Chester County. We highly encourage interns to apply for course credit. Women and people of color are strongly encouraged to apply.
