WHAT is PFEW?

PFEW is an exciting summer education program where you'll explore modern business and your future! By running your own company with students from all over the state, you'll gain invaluable knowledge, relevant skills, powerful tools and discover how your talents translate into great careers. The great thing about PFEW is that it is different for everyone, but personal to you. We guarantee one thing - there will be a spark, a new thought, an innovative idea, or a new direction that will change your life in new ways. No matter what, you'll be better prepared for your future and ready to take on the world!

WHAT will I do at PFEW?

- Form an executive management team with your peers and run your own imaginary company
- Compete against other student companies throughout the week
- Determine selling prices, marketing costs, production budgets, research and development, banking, and other decisions to help your company succeed
- Develop a complete marketing and advertising campaign for your company
- Hear and meet world class speakers who will share their experiences on a wide variety of topics
- Live on a college campus and get a taste of college life
- Spend a week with some of Pennsylvania's top executives who will inspire and motivate you
- Explore career fields and open doors to your future
- MAKE FRIENDS & HAVE FUN!!!!

ALL WORK and no play?

No way!! PFEW provides a chance like no other - to spend a week on a college campus. You'll connect with students from all across Pennsylvania and create friendships that will last a lifetime. Leisurely activities include free time to hang out and relax, opportunities for recreation and a spectacular awards ceremony to close out your amazing week.

CAN I bring a friend?

Yes! Your friend must complete an application and meet all of the eligibility criteria to be accepted to PFEW. If you wish to room with your friend, complete the Roommate Request section of the application. We will make every effort to ensure that you and your friend will be placed in the same room. NO co-ed rooms. During the week, however, we will place you and your friend in different companies to give you both an opportunity to meet other students.

WHY attending PFEW is so important

Business is in everything! You can't avoid being involved in the business world. If you use a computer, drive a car, buy candy bars, participate in sports or have a doctor's appointment, you are engaged in "business stuff." You or your parents may own or work for various businesses. It's part of life. In fact, business plays an important role in almost every facet of life. That's why it's so important that you understand how it works. We promise that PFEW is going to make your life easier because you're going to be smarter about how the real world works.
