

May 15, 2020

Greetings EHS Seniors,

The following pertains to seniors visiting the school to **drop off school/district belongings** and **pick up their caps and gowns**. As you might imagine, we are taking extensive precautions to ensure everyone's health and safety when coming to campus, and we will rely on you taking common sense measures as well, including the following:

Students will:

- Come to campus at their designated time (**see below**)
- Wear a face mask or face covering for the duration of the visit
- Practice appropriate social distancing measures by staying at least 6ft from others
- Keep your visit to the school as brief as possible. Students should do only what they need to do as outlined below and leave. Visits should not exceed 15 minutes, as we have a very tight schedule
- Closely follow directions from school personnel
- Bring all school district items, e.g., laptop, books, materials, uniforms, etc. to school to drop them off.
- Check and clean out locker (*if necessary*)
- Check and clean out team locker (*if necessary*)

Students will visit the school according to the following alpha-band schedule. Only seniors are permitted into the building. Siblings, parents, and others are not permitted to come inside. Our staff will be wearing gloves and face masks. Students are being invited to campus in groups of 10 or fewer.

Students will enter through the gym lobby doors. All materials will be collected in the main gym and that's where caps and gowns will be distributed.

Student Visitation Schedule

Tuesday, May 26

<u>Arrival Time</u>	<u>Alpha Band</u>
9:30 to 10:00	Abate - Battaglia

By appointment. Email Mrs. Forrest nforrest@wcasd.net
By appointment. Email Mrs. Forrest nforrest@wcasd.net
By appointment. Email Mrs. Forrest nforrest@wcasd.net

Students are advised not to carpool with others, and please do not gather on campus before or after this visit, as that is not the intention.

Diplomas and diploma covers will be distributed at our live graduation on Sunday, July 26. In the event we cannot hold our live Commencement, there will be a separate pickup for these items during the summer.

We look forward to seeing you, even with gloves and masks on!

Dr. Fagan
