Kate Javens was born in Missouri and spent her childhood in Japan, Mexico and the bicoastal United States. She attended Penn State University and the Pennsylvania Academy of Fine Arts. A monograph, *Kate Javens, American Beasts*, was published by the Blanden Museum and distributed by D.A.P., 2008.

Kate lives and works in New York City. Kate considers her 'personal best' a trans-American bicycle journey, unassisted, in 39 days (following in her sister's footsteps, Joanna Javens Spangenburg, East Senior Class President of Class of 1979).
