

CVS/CAREMARK
RX \$10/\$20/\$40

\$10 is Generic Drugs - (\$20 for 3 month supply)

Drugs classified as generic are lowest cost. Generic versions are not able to produce until the original patent on the brand version has expired.

\$25 is Preferred Brand Drug – (\$50 for 3 month supply)

Drugs take the next lowest copay, and only the brands/therapeutic classes on the CVS Caremark Performance Drug list (PDL) are eligible for this copay. * PDL List can be reviewed below.

\$40 is All Other Brand Name Drug – (\$80 for 3 month supply)

These drugs take the highest copay, and are brand version drugs that are not included on the CVS Caremark PDL.
