

Pharmacy Summer Camp 2020

June 21-25

The University of Findlay's annual Pharmacy Summer Camp is a five day long event where incoming high school juniors and seniors meet current pharmacy students, pharmacy professors and pharmacists in the field to get a first-hand experience of what it takes to become a successful pharmacist.

- Learn about career opportunities in pharmacy
- Receive first-hand experience in Findlay's state of the art laboratories
- Meet other students who share your interest in pharmacy
- Meet College of Pharmacy faculty and staff
- Get to know the University of Findlay and the City of Findlay
- Learn about pharmacology, medicinal chemistry and therapeutics

Space is available for 60 students.
Must be graduating in the class of 2021 or 2022.
