- **We ask that each crafter please donate a craft item to our Raffle Table on the day of the Fair. A volunteer will pick your donation up from you. Please have it ready no later than 10:30am. Your item will be on display with your space number until the afternoon raffle.**
- **Tables are NOT provided for your space. Each crafter must provide their own table or display racks, so please keep in mind your space limitations. Display racks CANNOT exceed the allowed space. This is very important to provide for a comfortable show. If this presents an extreme hardship, please let us know. In the past we have been able to provide 2 folding chairs for each space.**
- We are continuing to keep the level of show that has made this a premier show in the West Chester area. We will continue to place emphasis on our advertising and publicity this year. We want you, the crafter, to have a very successful show.
- Spaces are available on first come, first served basis as applications are received.
- As in the past, there are a limited number of electrical outlets. Please indicate on the application if you require electricity and why. Your confirmation letter will indicate whether you will have a space near electricity. You need to provide a heavy-duty extension cord.
- As always you must comply with all WCASD rules and regulations.
- This Fair is sponsored by the Parent Advisory Committee (PAC) for the West Chester Area School District's Gifted Education Programs. This is the major fundraiser to support the students and teachers in the program. Your support is greatly appreciated.
- Students, teachers and parents will be available in the morning and afternoon to assist crafters to and from the parking lot. After un-loading you will be asked to move your vehicle to the side parking lot to provide convenient parking for the customers.
- Confirmation of your application acceptance will be sent by the end of August if received during the summer and within 1-2 weeks if received after September 1st. Once your application is accepted, there will be no refunds. If you have any question, please call: Ryan Rodrigues at (215) 391-3047.
