

WEST CHESTER AREA SCHOOL DISTRICT FUGETT: SPRING ATHLETIC INFORMATION

March 2021

Dear Coaches, Players, Parents and Guardians,

If your student wishes to participate in a spring athletic program at Fugett, please read this carefully and in its entirety. All forms must be completed and submitted by March 12.

WCASD will be continuing with their approved Return to Play protocol for spring athletics:
<https://docs.google.com/document/d/1hCkVf-naK6XqF9RRHzgmYHbLMztooWJUq9ZfyIXeA8A/edit?usp=sharing>

Fugett will follow the WCASD Return to Play schedule already in place and monitor any changes from the Chester County Health Department. At this time, voluntary conditioning workouts are elective for student athletes. Depending on numbers, we hope that there will be no try-outs or cuts. **We encourage students to participate and we hope to be able to schedule a few competitions later this spring season for each sport.**

- **Practices will run from 2:00-4:00pm starting the week of March 15:**
 - **Because early Spring weather and field conditions are so unpredictable, we may need to rotate teams through the gym if outdoor practices are not possible. We have limited indoor space for practice this year and will respect limitations on gathering size so it is imperative that parents and students watch for Remind and/or Schoology announcements from coaches for exact practice locations, dates and times as we will need to be flexible. Please see the [information below](#) to receive communication from coaches.**
- PIAA physicals (dated after June 1, 2020) must be uploaded into Family ID for your son/daughter to continue to workout:
<https://www.familyid.com/j-r-fugett-middle-school/spring-sports-2021-4>
- If your child participated in a fall or winter sport and has a PIAA physical in Family ID, we will simply need a hard copy of Section 7 (and 8 if applicable) of the PIAA form:
<https://drive.google.com/file/d/10knSjHb24LTPOXZ4WMirLZqKNl51sofO/view?usp=sharing> (these should be turned into the coaches)
- All parents and students must complete the Covid-19 waiver form by Friday, March 12. Please follow the link below.

WEST CHESTER AREA SCHOOL DISTRICT FUGETT: SPRING ATHLETIC INFORMATION

Parent & Student Procedures & Expectations:

- Current WCASD policy is that all players must wear a mask (not a gaiter) at all times during practice (and games). If there are any changes to this policy, we will keep you informed.
- **For meeting locations, parent drop-off/pick-up and communication with coaches, please see information about the specific sport below:**
 - Any practices held in the gym: students should be dropped-off/picked-up near the cafeteria picnic table entrance of the gym and will meet in the gym.
 - When practices are outdoors, students are to be dropped off and meet at these locations:
 - **Track:** drop-off/pick-up near the cafeteria picnic table entrance of the gym and meet in the gym.
 - **Boys Lacrosse:** drop-off/pick-up near the cafeteria picnic table entrance of the gym and meet at the picnic tables outside the gym area.
 - **Girls Lacrosse:** drop-off/pick-up at the front of Fugett and meet outside the front of Fugett.
 - **Softball:** drop-off/pick-up at the front of Fugett and meet in the auxiliary gym.
 - **Baseball:** drop-off/pick-up will be across Ellis Lane near the Price Fields Pavilion.
- Any 7th grade or 8th grade student who has not already had an ImPact concussion baseline test will get one during the first week or two of practice. We will relay information to students regarding when they should bring their laptop to practice.
- Students will not use the locker room and must come to practice dressed and prepared.
- If a student is injured and unable to participate, they are not to attend practice to watch.
- Students who are in the cohort and are at school on their practice day will meet in the gym area if practice is indoors or meet at the sport-specific location listed above. Those students who are at home should plan to get to Fugett around 2pm for practice.
- Students are expected to bring their own water bottle and a mask to practice.
- Student athletes must bring a sufficient amount of water to stay hydrated.

We are looking forward to offering these extra-curricular activities as best we can as we for the Spring of 2021!
