HHS Ninth Grade Parents and New Students,

On Wednesday, August 19, we will hold freshmen and new student orientation for students. Although we will begin the year remotely, it will be nice to see our new students. The class of 2024 has a great reputation, and I look forward to working with our new students. At our orientation, we will be giving a tour, providing information regarding the school year, and your child will be able to meet some of our ninth grade teachers. In addition, students will also receive their laptops. **If your son or daughter attended Peirce Middle School, they must bring in their old laptop AND charger to receive a new one.**

Please drop your son or daughter off at the auditorium or athletic office entrances (Montgomery or Penn St. side). We will be meeting in the gym/auditorium areas. Please let your child know their color, which will be used to determine where they will begin their day (see below). They should report directly to those locations. **Students must wear a mask throughout the orientation. If your son or daughter needs a mask, we will provide it.**

Due to social distancing, we will be meeting at three different times on August 19, according to student last names:

Sincerely,

Jason Sherlock
