Henderson Community,

Welcome back to another school year! To say that the start of this school year is abnormal would be an understatement! I would like to thank everyone for their patience as we are now a few weeks into Remote Learning 2.0. As we start the year in Remote Learning 2.0, our expectations for teachers has been to deliver a lot more synchronous learning and instruction. Thus far, student attendance has improved and I have been impressed with both our students and teachers. We also were able to successfully navigate and deliver books to our students – thank you to everyone for working with us through this process.

On Thursday, October 1, Henderson will be hosting our virtual Open House at 7 P.M. Parents will have the opportunity to “meet” their child’s teachers. The video links will be pre-recorded and posted on our website. As we get closer, I will provide you with a link. In addition, we will be hosting a virtual Activity Fair on Monday, October 4. Many clubs and activities will be running virtual for the time being and in some cases, we will have students come in after to school to meet (according to our School Safety Guidelines). Please encourage your son or daughter to attend and view the Activity Fair.

I again would like to thank everyone for their patience during these trying and unprecedented times. If you are having any issues, I would encourage you to reach out to your child’s teachers, counselor, or grade level administrator. I am looking forward to seeing your children soon. As a Henderson Community, we will pull through this tough time together.

Sincerely,

Jason Sherlock, Principal

Dear Henderson Parents and Students,

I have always been extremely proud to be a part of the Henderson Community. It is a community that strives to be inclusive and embrace diversity, while remaining connected to our traditions. Perhaps one of the proudest traditions is our mascot, the Warrior. Over the summer, our administration took an in-depth look at this tradition. We wanted to learn more about the history of the Henderson Warrior, its association with Native American Indian Iconography, and how it is perceived through the lens of inclusiveness and diversity.

We had several conversations with students, staff members, community members, and alumni. We connected with faculty at West Chester University and the Chester County Historical Center. And, perhaps most importantly, we spoke with Native American Indians.

Interestingly enough, our research did not show how the Warrior became affiliated with Native American imagery. Through our research, we concluded that students, staff, community members, and alumni favor keeping the Warrior name while removing Native American imagery.

[Please click here to view a video and learn more about our research regarding the history of the Henderson Warrior.](#)

Using iconography that marginalizes a race of people is not a practice that we should continue. It has never been our community's intention to deliberately offend anyone. We plan to work with the student body to create new imagery that is not offensive to Native Americans or any other race or religion. I look forward to working with the student body to re-brand our Warrior imagery, which we all can wear proudly. Go, Warriors!

Sincerely,

Dr. Jason Sherlock

The WP or WF will be based upon the cumulative average for the year at the time of the drop. **The dropped course and appropriate designation of WF or WP will appear on the transcript.**

2nd Semester

INTERIM REPORTS

There are two types of progress reports to keep parents informed of the level of their student's academic achievement. Telephone progress reports are used when a problem needs immediate attention. Written progress reports are used in the middle of each marking period if a student is achieving outstanding work, is in danger of failing, or is negligent in some aspect of work.

Students who are in danger of failing will be given written progress reports to take home. Parents are asked to read the report, sign and return to the teacher. If there are any questions or concerns, parents are encouraged to email the teacher. Interim reports are not disciplinary reports, but are a means of notifying a student's progress mid-marking period.

An interim report must be used whenever a student is in danger of failing a course (cumulative E, or F) or displays negligence in some other aspect of his school work; as per Board policy. Teachers are encouraged to use the positive interim reports as a commendation of the student's work. If there are any questions about student progress, please do not hesitate to contact the teacher and/or counselor.

If you are reporting your student absent please email Stephanie Price at sprice@wcasd.net. Provide the student's name, date, and reason for the absence. A signed parent or doctor excuse note must be returned within 5 days of the student returning to school. Faxed or emailed parent notes must include a parent signature for it to be an official excuse note. These notes can be scanned or attached as a picture or pdf. If an excuse note is not received within the 5 days of returning they will be marked as unexcused or unlawful. If you have further questions or concerns with your student's absence please call (484)266-3000 extension 3318.

*** During these virtual times, all absences and early dismissal notes will be done electronically through email. It is important for parents to make the school aware of any type of absence no matter if they are doing cyber or 2.0 learning. If your student needs to leave early from a class please send in an early dismissal note in the morning so that we can make teachers aware that your student will be leaving early during their virtual class.

Early Dismissal

When a student needs to leave early from school a written note with a parent's signature is required. The note should include the student's name, date, requested dismissal time, reason for dismissal, if they are returning, and a signature of a parent. This note can be brought down to the Attendance Office or emailed the morning of the dismissal. These notes can be scanned or attached as a picture or pdf. The student will then be given a pass to leave the building at the designated time. If it is a last minute dismissal please call (484) 266-3000 extension 3318.

Students who arrive late to school without one of the above listed reasons given in writing by one of the five providers will be considered tardy. Students who accumulate four or fewer lates will not be penalized. Students who acquire five thru eight tardies will receive a detention for each tardy numbered five thru eight. Students who reach nine or more tardies will receive Saturday School for each tardy from nine upward. Tardies are accumulated per semester.

GOAL: *To develop a community of learners dedicated to the pursuit of educating children through the ideals presented by our mission statement.*

A school committed to the following:

- | | |
|------------------------------------|---|
| Student Centered | School exists for the students and their needs are paramount. |
| Academically Oriented | What takes place in the classroom is the single most important event that occurs each day. The curriculum must reflect our educational beliefs. |
| All Students Can Learn | We strive to ensure that ALL students achieve academic success and become responsible citizens. |
| Positive School Environment | Establish a school environment that is positive, safe and orderly, where students, staff and parents feel good about coming to their school. |
| Respect and Responsibility | We are a school dedicated to building character, citizenship and positive human relations. |
| Co-curricular Experiences | We support these experiences because they provide students with additional opportunities to demonstrate leadership, character, responsibility and they interface experiences with learning. |
| Open Communication | Build two-way communications between all stakeholders (i.e., staff and students; staff and parents; staff and administration). |

Academic Integrity Policy

The educational philosophy of Henderson High School includes the concern for the intellectual and ethical development of each student. The goals of the staff and administration are to teach each student to assume personal responsibility for learning and to develop behaviors and attitudes conducive to responsible citizenship. Responsible citizens must accept the ethical responsibility and the consequences of plagiarism and cheating.

The administration and staff of Henderson High School do not condone, tolerate, or accept cheating and plagiarism; therefore, the following policy has been adopted by the instructional leadership team of Henderson comprised of parents, teachers, and administrators.

- Any student who copies another student's assignment or part of an assignment or copies from another student during a test or quiz or uses a "cheat sheet" during a test or quiz will receive a grade of zero ("0") on the assignment, test or quiz.
- The student who provides the assignment or permits a student to cheat will also receive a zero (0") on the assignment, test or quiz.
- Any student who plagiarizes – defined as intentionally or unintentionally stealing and using the idea, structure, language, context, or writings of another as one's own without crediting the original author through parenthetical documentation, footnotes, or bibliography – will receive a grade of zero ("0") on the manuscript.
- Any student who submits a plagiarized manuscript (which was not submitted for a grade) to a contest or for publication will be subject to disciplinary action by the teacher/advisor and the administration.
- If a child is caught cheating or plagiarizing, the teacher has a professional obligation to contact the parents by phone or in a conference.

High School Action Schedule for Plagiarism and Academic Dishonesty

*1st Offense	Zero on the assignment/project/test and parent/guardian Notification
*2nd Offense	Zero on the assignment/project/test, and discipline for a offense as set forth the high school administrative action schedule in Policy 251
*3rd and Subsequent Offenses	Zero on the assignment/project/test, and discipline for a third or subsequent Level II offense as set forth in the high school administrative action schedule in Policy 251

**The building principal may, if he/she considers an act of plagiarism or academic dishonesty sufficiently severe or disruptive to the school environment or a threat to the health, safety or welfare of others, treat any offense as a Level III offense, resulting in discipline for Level III offenses as set forth in the high school administrative action schedule in Policy 251

**If a student found to have committed academic dishonesty or plagiarism the National Honor Society advisor will be notified.
