

Setting Up Direct Deposit for your MyChoice Account

To ensure you receive your reimbursement as quickly as possible, we recommend setting up your bank account for direct deposit right away. Follow the instructions below to get this started.

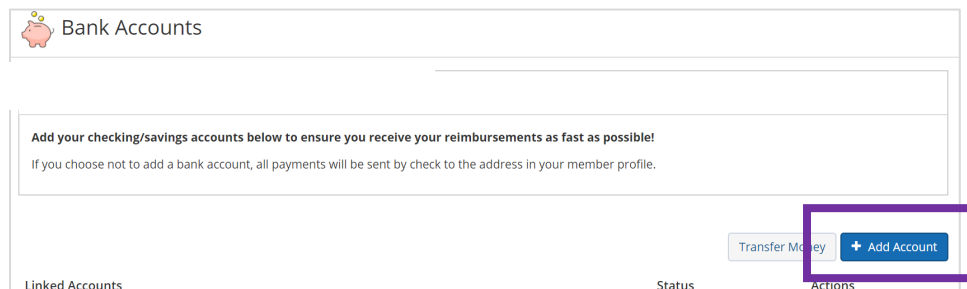

1. Log in to your benefits portal.
2. Select your **name** in the top right-hand corner and choose **Consumer Accounts** from the drop down.

3. From this page, you will have access to all of your account information. To continue, select **Manage** from the top menu and choose **Bank Accounts**.

4. Select **+Add Account**

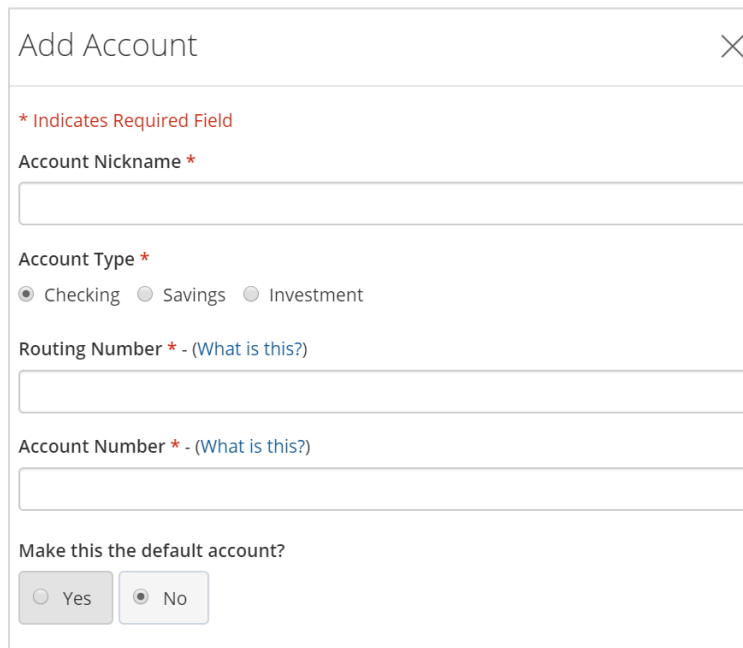

Bank Accounts

Add your checking/savings accounts below to ensure you receive your reimbursements as fast as possible!
If you choose not to add a bank account, all payments will be sent by check to the address in your member profile.

Transfer Money + Add Account

Linked Accounts Status Actions

5. Follow the instructions on screen to complete the process.
6. Complete the fields for your bank account. To learn more about routing or account numbers, select **What is this?**

Add Account

* Indicates Required Field

Account Nickname *

Account Type *

Checking Savings Investment

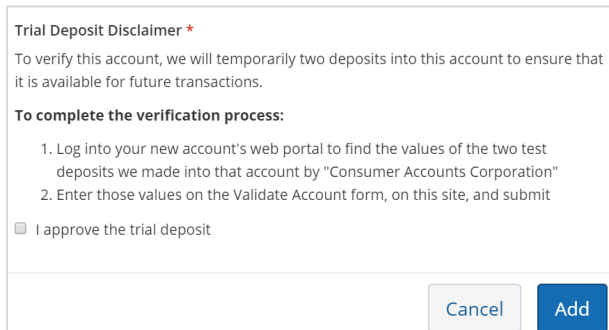

Routing Number * - (What is this?)

Account Number * - (What is this?)

Make this the default account?

Yes No

7. For MyChoice Accounts HSA participants: Review the information about the Trial Deposit Requirements. To verify the account, MyChoice Accounts will temporarily place two deposits into the linked bank account. You will need to verify these deposits to complete the process. To begin the process select **I approve the trial deposit.** (This is NOT required for FSA.)

Trial Deposit Disclaimer *

To verify this account, we will temporarily two deposits into this account to ensure that it is available for future transactions.

To complete the verification process:

1. Log into your new account's web portal to find the values of the two test deposits we made into that account by "Consumer Accounts Corporation"
2. Enter those values on the Validate Account form, on this site, and submit

I approve the trial deposit

Cancel Add

8. Select **Add.**

Completing the Trial Deposit

These instructions are for MyChoice Accounts HSA participants only. Once you have added your bank account, you need to verify the trial deposits. Use the following instructions to complete this process:

1. In a new window, log into the bank account you entered previously to find the values of the two test deposits. They will be named, "UMB".
2. Return to your benefits portal and return to your Consumer Accounts page.
3. Select **Manage > Bank Accounts**
4. Scroll down until you see the bank account you previously entered and select **Verify Account**

Linked Accounts	Status	Actions
 Chase Checking Account (****4355) - (default)	Active	 
 Wells Fargo Checking Account (****4457)	Unverified	  
 Wells Fargo Savings Account (****1943)	Active	 

5. Enter the amounts for the two trial deposits as listed in your bank account. Select **Verify**.

Verify Account ✕

Enter the value and deposit dates for the test deposits made into your account by "Consumer Account Corporation."

Deposit 1 Amount

Deposit 2 Amount

6. Once complete, your linked bank account will show as active.

Linked Accounts	Status	Actions
 Chase Checking Account (****4355) - (default)	Active	 
 Wells Fargo Checking Account (****4457)	Active	 
 Wells Fargo Savings Account (****1943)	Active
