STUDENTS TRANSFERRING INTO THE SCHOOL DISTRICT

Parents of students in grades K through 5 who are transferring into the district should call the office of the elementary school their students will be attending. Middle and high school transfers are handled through the guidance departments at each school. Students entering 7th grade need the following: 1 dose of tetanus, diphtheria, acellular pertussis (Tdap) and 1 dose of meningococcal conjugate vaccine (MCV). Students entering 12th grade must have the second dose of meningococcal conjugate vaccine (MCV).

All registration items listed above are also required to register students transferring into other grades in the district. The name and address of the previous school must be provided. Students transferring into high school must bring a copy of their unofficial transcripts from the previous school district. If transferring during the school year, also bring current year course schedule and grades.

Newcomers seeking information on schools (other than registration information), should call the office of the Director of Elementary Education at 484.266.1070.
