

Students and Families,

Beginning Monday, April 13, all Secondary students will log into their Schoology Homeroom Course to check-in for attendance. We are offering this new attendance procedure during the school closure to simplify the attendance process. Students will enter attendance for each instructional day on the day of instruction. The system will not allow students to enter multiple days of attendance at one time.

You will find the check-in form at the top of your Homeroom Course. Students must be signed into their WCASD Google Credentials and will be asked to verify:

- Today's day of the week is...
- My Homeroom number is...
- I am on Schoology to complete my work. I will reach out to my teachers as needed.

Watch this 1-minute walk-through video: [Check-in for Attendance in Schoology Homeroom](#)

Please do not hesitate to reach out with any questions.
