

West Chester Area School District

11th Grade Course Selection

Quick Guide 2022-2023

Course Selection Schedule

January

- Digital Course Selection Guides Released
- Administrator/Counselor Meetings with Students
- January 26: Virtual Course Selection Night Presentation via YouTube

February

- Teacher Recommendation Window
- On-line Course Selection Window
(View teacher recommendations and select electives)

March

- Recommendations Available on Parent Portal
- Requests to Change Course Selections and/or Recommendations Submitted to Student's Counselor
- March 25: Elective Change and Course Level Waiver Deadline

May - July

- Master Schedule Developed
- Course Conflicts Resolved

Mid August

- Schedules Available Through Parent Portal

Parents may contact or conference with teachers or counselors throughout the process.

Each year, WCASD students have the exciting experience of selecting their courses for the following school year!

This process involves teacher recommendations, parental suggestions, counselor advice and student choice. These important decisions serve to guide students during their time with the district. **To build an accurate schedule for all students, course changes for both the WC Cyber Program and in-person instruction must be made by March 25.**

Suggested Sequence of Courses

Variations to the sequence of courses below can be arranged through consultation with teachers and counselors. These suggestions refer only to the minimum requirement of 6.4 credits including Physical Education. There are eight (8) periods in the school day. Check off each requirement to help remind you of which selections you've already made!

- English
- Social Science
- Math
- Science
- Physical Education
- Elective
- Elective

Level Recommendation Guidelines

There are four different course levels offered at WCASD, including Advanced Placement, Accelerated Honors, Honors and Career & College Prep. Each level is intended to develop students' skills and prepare students for their future endeavors. All level changes for full year courses must be completed no later than three weeks after the end of the first semester. All level changes for semester courses must be completed no later than three weeks before the end of the first marking period.

WC Cyber Program and Blended Learning

High school students have the option of taking classes through the WC Cyber Program. Courses available through Cyber will be designated with the WC Cyber Program logo (🌐) throughout the course guide. Additionally, WCASD's blended learning courses offer a dynamic learning format that allows students to experience courses where they interact with the curriculum partially at school and partially through online delivery of content and instruction.

Career Education Program

WCASD's Career Education Program connects high school students with real world experiences, serving as a critical link between classroom learning and the world of work. Students in 11th grade have the opportunity to develop skills for success through the Future Readiness elective and community-based experiences, and participate in a variety of curriculum-related field trips, events, and showcases. Additional opportunities for juniors include job shadows and internships, where students will gain exposure to careers by working with business/community volunteers during the work day.

Dual Enrollment Program

The West Chester Area School District dual enrollment program offers juniors the opportunity to concurrently enroll in a college level course that would be considered a high school elective credit. Upon successful completion, students participating in dual enrollment coursework would receive high school advanced placement credit, as well as college credit.

Promotion Requirements (Minimum)

A student who has completed at least 17 credits in grades 9, 10 and 11 will be promoted to grade 12.

Counseling Telephone Numbers:

Henderson 484-266-3408
East 484-266-3811
Rustin 484-266-4318

The mission of the West Chester Area School District is “educate and inspire our students to achieve their personal best.”

Secondary Course Selection Timeline – 2022-2023

Date	Event
January 26	Virtual Course selection Night Presentation via YouTube
February 1 – 11	Teacher recommendation window
February 12	Autodialer and email parent communications
February 14 – 25	Student and parent on-line course elective selection window
February 16	Course Selection open house and presentation for Spanish speaking families
March 7 – March 11	First course verification window/Elective courses & rigor level changes begin
March 12	Autodialer and email parent communications
March 14 – 25	Second course verification and final course change window
March 22	Final autodialer and parent email reminder of course change deadline.
March 25	Elective and Course level waiver deadline: this includes changes between cyber and in person course requests
March 25	Elective Course GPA Inclusion Form deadline
May - July	Master schedule created
Mid August	Schedules available through Parent Portal

All information from the Course Selection Presentation will be available on the WCASD homepage and the EHS/HHS/RHS homepages.

Name: _____

West Chester Area School District - 10th-12th Grade Course Listings 2022 - 2023

Please refer to the [district's online course guide](#) for the comprehensive 2022-2023 course offerings for grades 10 - 12.

Each course meets 5 periods a week unless otherwise stated in parenthesis after the course. (S) indicates a semester course - .5 credit, (1), (2), or (3) indicates meeting times per week.

- Rigor levels are recommended by your teachers in Graduation Required English, Social Studies, Math & Science
- Your core area teachers will be recommending you for the same learning platform you are currently taking (in-person or Cyber). You must inform your teacher if you intend on changing to cyber or in-person.
- **New courses are designated in green**
- **(NW)** indicates that this course is Neutrally Weighted and the grade will not be factored into GPA unless a "GPA inclusion form" is turned into your counselor by the due date of **March 25, 2022**.
- **Elective Courses:** Please select electives and designate at least two alternate electives.
- **High School Cyber:** High school students may select a combination of in person and/or cyber courses. Cyber courses are designated with a **[C]** in the course selection guide.
- **Blended Learning:** Days in class and days online are noted in brackets: [4/1] indicates 4 days in class and 1 day online
- 10th grade students must select a minimum of 5 credits in addition to Health10 and Physical Education 10.
- 11th grade students must select a minimum of 6 credits in addition to Sport P.E. or Personal Fitness Training.
- 12th grade students must select a minimum of 5 credits in addition to Adv. P.E or Sport P.E. or Personal Fit Trng
