

WEST CHESTER AREA SCHOOL DISTRICT FUGETT SPRING ATHLETIC INFORMATION

Spring Sports 2024

Dear Coaches, Players, Parents and Guardians,

Spring sports will begin in March. Coaches will be providing more information to students prior to tryouts and practices.

- Depending on the sport and the number of students interested, tryouts may take place before practices begin.
- Practices will be held each day after school (weather permitting).
- Coaches will announce practice times and distribute schedules to teams once practices begin.
- PIAA physicals (**must be dated after June 1, 2023**) should be uploaded into Family ID for your son/daughter to continue to participate in spring sports. If a student is interested in a spring sport and played a 2023 fall or winter sport with their PIAA physical already in FamilyID, simply register for the spring sport.
