Track to the Trades Scholarship:

Scholarship Value: \$2,500

Awards Available: 20

Award Deadline: Nov 4, 2024

Building a successful, high-paying career in the trades starts with the right foundation: trade school.

Trade schools offer education and training opportunities that can help launch lifelong careers. Trade school graduates often earn degrees in half the time as their counterparts in traditional colleges. Additionally, vocational students often graduate debt-free and have stable jobs waiting for them after graduation.

This scholarship aims to support current and future tradespeople on their paths toward successful careers in the trades.

Eligibility: Any current trade school student or high school senior who will enroll in trade school after graduation may apply for this scholarship if they're a legal resident of the United States pursuing plumbing, HVAC, electric, or a closely related field while embodying G.R.I.T. (generosity, respect, innovation, and teamwork).
