5th Grade Parent Orientation Evening
WEDNESDAY, MAY 4THTH

This event is designed to give our rising 6th grade parents information about what to expect in middle school next year at Stetson. We will begin the evening promptly at 7:00 pm in the auditorium for a presentation. You will get an opportunity to meet a few staff members and tour our building with student council members. We ask that this event be an adult only evening. In addition, we will be providing information about a student only summer opportunity for our students to attend transition camp to learn about their middle school.

We hope you can join us for this special event on May 4th at 7:00 pm!

Take care,
Mrs. Mary Kay Puchalla
Principal
