Assistant Principals

Mr. James D. DeWitt

Mrs. Erin Stephen

Athletic Director

Mr. Willi J. Corcoran

Guidance

Mr. Christian Specht

Mrs. Heather Selgrath

Ms. Dawn McNeil-McMillan

Dear 8th Grade Families,

I appreciate your patience as we work through the details and logistics of planning the 8th grade Awards and Promotion ceremony. Each year, our staff takes great pride in the opportunity to recognize the amazing students at Stetson Middle School and this year will be no different. We will be holding a virtual **8th Grade Awards and Promotion Ceremony on Friday, June 5 (10:00 a.m.)**. A pre-recorded video is being created that includes awards, staff tributes, brief end of the year slide show, and a roll call of 8th grade students. While this will never replace hearing the applause from a live crowd or having the opportunity to congratulate a student face to face, we will do our best to personalize the experience. This is a huge undertaking but we are up for the challenge.

We are doing our best using the technology at hand to make a single ceremony, but if computer limitations occur, we will post the following three components on the District's Vimeo account. A link will be sent to your family.

1. Welcome and pre-recorded teacher tributes to award winners.
2. A scrolling list of all Special Awards winners.
3. Brief slide show and roll call of students.

Special awards and our customary awards certificates will be mailed home as soon as possible.

Thank you again for your support of Stetson Middle School!

Regards,

Dr. Charles A. Cognato, Principal

Stetson Middle School
