

Talk Now.

Know How.

Address Tough Topics with Confidence.

Join local prevention professional, Loretta Cohen, MSW, as she shares current youth behavior trends from the PA Youth Survey and discover how to set kids up for success. Driven by science with a down to earth approach, this presentation with Q and A to follow will be well worth your time.

- Hear about current trends regarding mental health and addictive substance use in youth.
- Learn why and how to talk with young kids about alcohol.
- Gain skills that can build resilience and help youth make sound decisions.

*Perfect for parents with kids of any age.
It's never too early or too late to lay the
foundations kids need to thrive.*
