Examples of such financial obligations include, but are not limited to: damages to or loss of textbooks, library books, laptop computers and other technology related accessories; unpaid fundraising obligations; field trip expenses; or other such obligations where monies are owed to the District. While in most cases, these obligations are paid shortly after the encumbrance of the debt, in some cases, these financial obligations. This policy is intended to collect the debt.

#### **Authority**

The Board directs that whenever a student has incurred financial debt to the district, and that debt is in excess of fifty dollars (\$50.00), the following steps will be taken:

- 1. Written notice shall be provided to the parent/guardian and student regarding the amount, type of debt, payment methods, and payment timeframe. The building principal will meet with the parent/guardian to discuss the debt.
- 2. The district shall allow (4) weeks from provision of written notice of the debt for full payment of the debt, unless other arrangements for payment are agreed to in writing.
- 3. If full payment is not received within 4 weeks or as otherwise may be agreed to in writing, the District, at its discretion, may deny the student access to **non-funded** extracurricular activities or school social events until the debt is paid, turn the matter over to an outside collection agency, and/or pursue other remedies that may be available at law or in equity.
- 4. Every attempt to obtain full payment shall be made prior to matriculation of the student to the next grade level.
- 5. Should a student have any outstanding debt at the time of graduation, the student may not be permitted to participate in graduation ceremonies.

#### **Delegation of Responsibility**

The Superintendent or designees shall be responsible for monitoring this policy. The user will not be responsible for the cost of normal repairs.

The district will provide annually an option for computer insurance.</u>

If equipment is lost or stolen, the loss or theft must be reported to the Technology Department within five (5) working days and, if the equipment was stolen, with a copy of the police report. If the equipment is not covered by district insurance, the user shall take action to reimburse the district for the lost or stolen equipment at the full replacement cost of the equipment within  $\frac{1}{2}$  four (4) weeks of the report. Failure of a staff member to reimburse the district as specified shall result in the cost of the equipment being deducted from his/her paycheck.

The district shall not be responsible for any data/files left on a computer when it is returned. The district has the right to erase all files on a hard drive after return of the equipment, unless otherwise prohibited by law.

The user shall not make unauthorized copies of any copyrighted software that may be present on a computer nor load unauthorized copies of any other copyrighted software onto the computer.

# **CONSENT AGENDA RESOLUTION**

## Approval of the April 30, 2019 Financial Report

Approval is requested for the West Chester School District Financial Report for the month ending April 30, 2019. I so move.

## **2018-19 General Fund Financial Analysis**

The expenses and revenues as of April 2019 represent 10 months of financial activity for the District. As of April month end, we have collected \$1,420,477 more than our \$168.1 million current real estate tax budget. Year-to-date we have collected \$1,017,400 in interim taxes which is \$69,786 more than last year. We will continue to receive interim tax revenues throughout the remainder of the school year and are optimistic that we will reach our budget of \$1.2 million.

The second largest local revenue category is Earned Income Tax which is trending in-line with last year's collections as compared to budget. We have received \$3,253,000 in transfer taxes year to date, this amount is behind last year and is the result of the size and timing of property transfers within the District.

Our local revenues YTD total \$194.2 million or 97.04% of budget. State revenues are on target with budget, year to date we have received \$10.6 million in combined Basic Education and Special Education subsidies which is on target with budget. Federal revenues are also on target with budget.

We have made revisions to our expenses for the 2018-19 school year. The revisions include a reduction of \$476,500 in salaries due to attrition and vacancies and a \$74,400 reduction of salaries and supplies related to the removal of the elementary summer school program. A reduction in employee benefits in the amount of \$850,000 due to lower than anticipated claims as well as changes to the managed care programs. A reduction of charter school tuition expense in the amount of \$1,525,000 due to lower than expected enrollments, contracted special education aides in the amount of \$400,000 due to vacancies, student transportation in the amount of \$167,548 as the result of lower than anticipated interest rates on the new debt issue and reduced educational supplies in the amount of \$19,126 as a result of the PPA enrollment reconciliation. A reduction of \$200,000 in educational supplies is a result of an allowed carryover of budget to the 2019-20 year. We will continue to monitor our expenses throughout the year and any savings recognized will be set aside to help offset the millage increase for 2019-20.

And as you can see on the statement, we have budgeted \$253.4 million in expenses and \$246.8 million in revenues this year and we budgeted to use \$6.6 million of our fund balance to close the gap between the expenses and revenues.

Our fund balance is projected to be \$31.8 million at June 30th but the District does have a budget gap to close for the 2019-20 budget so we may use a portion of the fund balance to close the gap.

This concludes the financial report.

## WEST CHESTER AREA SCHOOL DISTRICT CHESTER COUNTY, PENNSYLVANIA

# RESOLUTION

## BACKGROUND

The purpose of this resolution is to comply with the requirements of the Pennsylvania Public School Code of 1949, as amended ("School Code") in order for the West Chester Area School District School Board ("School Board") to sell 16.6 acres of land (UPI No. 52-5F-33) and a non-contiguous parking lot consisting of .27 acres of land (UPI No. 52-5F-24), known as the Spellman Center, West Goshen Township, Chester County, Pennsylvania (the "Property").

# TERMS AND CONDITIONS

NOW, this 28<sup>th</sup> day of May, 2019, it is hereby resolved by the Board of School Directors for the West Chester Area School District as follows:

1. The Property, which is known as the Spellman Center, West Goshen Township, Chester County, Pennsylvania, is unused and unnecessary for School District purposes.

2. A private sale of this Property is proposed pursuant and subject to the terms and conditions of an Agreement of Sale between the School District and Stanbery West Goshen LLC ("Buyer"), a copy of which is attached hereto and made a part of this Resolution as Exhibit "A" (the "Agreement"), and a Sixth Amendment to Agreement of Sale, a copy of which is attached hereto and made a part of this Resolution as Exhibit "B" ("Sixth Amendment").

3. The officers of the School Board executed the Agreement November 27, 2017.

4. Between November 27, 2017 and now, the Buyer has conducted due diligence to ascertain the suitability of the Property for land development. During that time, five Amendments to the Agreement were executed by Seller and Buyer to enable Buyer to complete its due diligence. Based on those evaluations, Buyer has determined that due to flood plain and wetlands on the Property, only 3.56 acres out of the total tract area of 16.6 acres are available for development. As a result, Buyer has modified the purchase price to \$2,750,000 as set forth in the Sixth Amendment to Agreement.

5. The officers of the School Board have been advised that the purchase price of \$2,750,000 in the Sixth Amendment to Agreement is fair and reasonable.

6. Based upon the above and the following factors, consideration offered to be paid in the Agreement is fair and reasonable and in the best overall financial interest of the tax payers of the School District:

- a. The current building on the Property was built in 1924 as an elementary school. Since 2005 it has been used as administrative offices for the School District.
- b. In November 2016, as part of the School District's Capital Improvement Program, it was determined that there should be an evaluation of the feasibility of either moving the administration offices to another facility or to making the required improvements to the Property. Architectural Alliance, Inc. was engaged to prepare a Physical Needs Assessment of the Property. On April 22, 2016, Architectural Alliance, Inc. submitted the Assessment which identified necessary building improvements and estimated the cost of these improvements to be \$5,748,911.56. At the same time, a commercial realtor was engaged by the School District to seek out another facility. A 42,000 square foot office building at 782 Springdale Drive, West Whiteland Township, Chester County, Pennsylvania (UPI No. 41-6-101) containing approximately 3.9 acres was on the market. During negotiations, it was determined that this office building could be purchased for \$3,500,000.00. It was determined that the purchase of this new office building would be the most appropriate course of action. Accordingly, on July 25, 2016 the School District entered into an Agreement of Sale to purchase this office building.
- c. As a result of the acquisition of the new office building and the issues and costs identified in the Physical Needs Assessment, it has been determined that the Property no longer serves the purposes for which it was intended and therefore it should be sold.
- d. The Property is no longer being used for School District purposes and is unnecessary for School District purposes

7. The officers of the School Board are now authorized to execute the Sixth Amendment to the Agreement.

8. The solicitor is directed to take whatever action is necessary and appropriate pursuant to the School Code to apply for court approval of this private sale and Agreement.

9. If court approval of the private sale is obtained, the officers of the School Board, the School District administration and the solicitor are authorized to take whatever action is necessary and appropriate to carry out the terms and conditions of the Agreement.

10. All actions taken by individuals acting on behalf of the School District prior to the date of this Resolution in furtherance of the sale of the Property and in furtherance of the School District's business in this regard are hereby ratified and confirmed.

11. If any sentence, clause, action or part of this Resolution is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses, sections or part

of this Resolution. It is hereby declared as the intent of the School District that this Resolution would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included herein.

12. All resolutions or parts of resolutions conflicting herewith are hereby repealed.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2019.
