**Important After-School Sports Schedule Change**

Dear After-School Sports Parents,

Our goal at Glen Acres Elementary School has always been to provide the best and safest experiences for your children. This year we have over 45 girls in grades 4 and 5 that have signed up for the After-School Sports program. It is great to see so many girls interested in the program and I look forward to having all of them participate. Unfortunately, due to the large number signed up I feel that it would be best to split the group into two having 4<sup>th</sup> grade girls come one day and 5<sup>th</sup> grade girls come another. Similar to the way the boys are doing it presently. To accommodate all 4 groups (4<sup>th</sup> girls, 5<sup>th</sup> girls, 4<sup>th</sup> boys, 5<sup>th</sup> boys) we will be slightly changing the after-school sports schedule for both boys and girls!

I feel that by making this change, the experience will be more positive and safe for your children especially when we are forced to be in the gym due to weather. Presently our fields have not been playable because of the amount of rain and already we have been forced to remain in the gym making the management of 45 girls very challenging.

Thank you again for understanding and your continued support,

Mr. Michael Yarosewick (Mr. Y)

Physical Education Teach and After-School Sports Instructor
