Learner's Edge - All credits even if sponsored by a university on the approved list above.

Please remember, any course for post Master Degree credit must begin either after the Bargaining Unit Member's Master's Degree is conferred by the university or after the District is in receipt from the Bargaining Unit Member the official notification from the university all requirements of the degree have been fulfilled. Such official notification from the university must contain all of the following:

- a. A completion date (day/month/year) for the completion of the course requirements
- b. An official, dated (day/month/year) transcript of the grades for the courses
- c. The date (day, month, year) on which the degree is scheduled to be conferred officially (graduation).

If all the above requirements are met, the District will use the date of completion as stated on the transcript as the date on which the District considers that the Bargaining Unit Member has received the Master's degree. Coursework after that date will be calculated as hours above and beyond the master's degree.

Terms of MOU regarding column movement protocols:

Salary adjustments for level change (AKA column movement) will occur on either the first or the sixth teacher pay period of a given school year if the bargaining unit member has completed all of the following steps:

1. Submitted for level change in My Learning Plan prior to June 1.
2. Completed all applicable coursework prior to September 1.
3. Official sealed transcripts verifying completed coursework and indicating a grade of "B" or better have been received by the HR department.
4. Movement in the first teacher pay of the school year will occur if transcripts for all applicable credits are received in the HR department by June 30.
5. Movement in the sixth teacher pay of the year will occur if transcripts for all applicable credits are received in the HR department by October 1.
6. Any salary adjustments for level change will be made retroactive to July 1. This includes bargaining unit members who have completed the required steps listed above but will not be able to provide official transcripts until after October 1. These adjustments will be processed as they are received in the HR office. However, due to the payroll processing schedule the change may not be reflected in the next pay period after which the transcripts were received in HR. The adjustment would be processed in the subsequent pay period.
7. This Agreement will not be considered as precedent for any other incident or issue arising between and among the parties.
8. All other terms of the parties' CBA shall remain in full force and effect.
9. This is the whole and complete Agreement between the parties.
