A. SB 2- Vouchers for Private School Tuition – This bill will:

1. Provide private school vouchers to any student attending school on a school scoring in the bottom 15% on state tests.
2. Provide private school vouchers to any child in any school entering kindergarten or first grade. These vouchers follow the students for as long as they are attending a private school.
3. Deduct state subsidy from school districts to pay the private school tuitions.

B. SB 1095 - Keystone Exams – This bill will:

1. Eliminate the project-based assessment
2. Keep keystone exams as a graduation requirement
3. Allow school districts to provide alternative path to graduation.

C. School Safety Legislation –

1. 40 bills being discussed in Harrisburg
2. Review of priorities from the WCASD Safety Advocacy Committee

D. Next steps.
